

## Pigeon Cleaning - Balcony Preparation Sheet

Date of Treatment: \_\_\_\_\_

Time of Treatment: \_\_\_\_\_

### **People and pets need to vacate the balcony only.**

#### PRIOR TREATMENT

- Remove all items and furniture from the balcony (i.e., tables, chair, plants, decorations, lights, etc).
- Remove bird feeders from walls and window.
- If BBQ is allowed on your balcony, please remove it from the balcony.
- If you decide to keep pets inside bedrooms please provide food, water and adequate ventilation while technician is performing the service

#### AFTER TREATMENT:

- All contents may be put back in place.
- Be sure to keep birds away from nesting near, on or in the balcony. They can cause re- infestation.
- Do not feed birds or leave foods on your balcony.
- Do not use the balcony as a storage area, this action will bring birds to nest in the area.
- Clean your balcony regularly
- Installed birds' deterrents on your balcony. (Contact management for details)

We will be using Dissolve-it, Sanitol and BioPlus to clean the balcony.

**In an emergency contact Ontario Poison Centre 1.800.268.9017 or 416.813.5900
