

Pigeon Netting - Balcony Preparation Sheet

Date of Treatment: _____

Time of Treatment: _____

People and pets need to vacate the balcony only. Please provide access to the balcony. If you cannot be home, please leave keys with your management team.

PRIOR TREATMENT

- Remove all items and furniture from the balcony (i.e., tables, chair, plants, decorations, lights, etc.)
- Cleaning is mandatory - No pigeons dropping or dropping marks should be left on the floor or anywhere on the railing. It is not enough to sweep the affected area; it must be scrubbed clean and disinfected.
- Remove bird feeders from walls and windows and clean up all spilled seed.
- If BBQ is allowed in your balcony, remove any grease from the railing, walls and floor. Place BBQ inside unit during the installation.
- If you decide to keep pets inside bedrooms please provide food, water and adequate ventilation while technician is performing the installation.
- We provide cleaning services if you require the service. Please contact your building management for details. Keep in mind the cleaning services must be done prior to installation.

In an emergency contact Ontario Poison Centre 1.800.268.9017 or 416.813.5900 24/7 for expert poison advice 24-hours per day.
